EDUCATION

B.Sc. in Software Engineering

Addis Ababa University 🌐

09/2023 – Present

Addis Ababa, Ethiopia

- Relevant Coursework: Computer Programming, Database Systems, Object-Oriented Programming (Java), Operating Systems, Mobile Computing, Computer Graphics, Distributed Systems, Artificial Intelligence, Machine Learning, Web Development

PROFESSIONAL EXPERIENCE

Backend Development

- Designed and implemented secure APIs using NestJS and MySQL, including authentication, booking, and media-handling features.
- Built scalable database schemas and optimized query performance for reliability and speed.
- Integrated robust security practices such as JWT authentication, password hashing, and role-based access control.

Frontend Development

- Developed responsive and user-friendly interfaces using React.js and Tailwind CSS.
- Improved usability and accessibility through UI/UX best practices.
- Collaborated with backend services to deliver fully integrated, production-ready features.

Application Development (Mobile)

- Developed mobile application features using Flutter and Kotlin, integrating secure APIs, authentication, and smooth data handling.
- Built modular, reusable components and optimized app performance through testing, debugging, and UI refinement.
- Implemented clean architecture principles to ensure maintainable, scalable, and efficient mobile application codebases.

SKILLS

Languages: JavaScript (ES6+), TypeScript, Kotlin, Dart, HTML, CSS, SQL

Frameworks & Libraries: React.js, NestJS, Node.js, Flutter, Tailwind CSS, Three.js

Databases: MySQL, PostgreSQL, MongoDB, TypeORM

Developer Tools: Git, Docker, Postman, Trello, VS Code, IntelliJ IDEA, GitHub
